FOREWORD

Our high school is fast approaching the end of its seventh academic year. These past seven years have proved long and fruitful for the Viking Ship. They have seen our campus progress from the first three small wings of classrooms to the present sprawling institution, **Sunnyslope High School.**

Now at the end of our seventh year, finishing touches are being put on a new classroom section and library and construction is starting on a new swimming pool in preparation for its emergence as a school worthy to bear the title of Class AA next fall.

It is with cognizance toward this growth that we, the Valhalla Staff of 1960, have chosen as the theme of the 1960 Valhalla, "The Growth of Our School — Physically and Academically."

Throughout this book, we shall endeavor to show our growth in four main areas — Student Body, Organizational, Athletic and School Life.

It is our hope that this is not the end of the growth of our fine school, but rather the springboard to new and greater heights.

DEDICATION

TO MR. FRED BINGHAM, coach and instructor at Sunnyslope High School, the Yearbook Staff wishes to dedicate the 1960 VALHALLA.

As coach of the 1959-60 football squad, Mr. Bingham was the author of Sunnyslope's first undefeated grid season and Class "A" North Championship.

His sterling character and inspirational attitude have inspired all who have worked with him.

Coach Bingham is also a highly regarded member of the faculty and Athletic Director. It is therefore with pleasure and honor that we dedicate this book to him.

ADMINISTRATION

A NEW ADDITION to Glendale Union High School District this year is our Superintendent, Mr. Melvin Zinser.

Mr. Zinser was born in California and came to Sunnyslope when he was three. He attended Washington Grade School and Phoenix Union High School.

After graduation, he attended Arizona State College where he received his Bachelor's and Master's Degrees.

In 1949, he began teaching Civics at Glendale Union High School, where he taught for six years. Mr. Zinser comes to us from Washington High School where he has been principal since 1955.

School Board: Mr. John Herriot, Mr. Pat Taylor, Mrs. Graydon Hall, and Dr. Joseph Voorhees
Mr. Ben McKinney is not pictured.

ADMINISTRATION and FACULTY

MR. COFFIN, our principal, has been part of the progressive growth of our school. Starting in Sunnyslope as Assistant Principal and Bookstore Manager, while also teaching general mathematics, he has progressed to the job of Principal.

Mr. Coffin attended Arizona State College at Tempe, where in 1949, he received his Bachelor of Arts Degree. In 1952 he was back again at ASC to receive his Master's Degree.

Among his activities, besides serving as Principal, he has served on the Board of the Class "A" North Conference, being Secretary two years ago and President last year. He has been Secretary and President of the Salt River Valley Principals Association, Secretary-Treasurer of the Arizona Association of Secondary Principals of which he will be Vice-President next year, and he has served on the Executive Board of the Arizona Interscholastic Association.

He is a respected and honored man on the campus and is always near to offer helpful assistance or advice.

Our Expanding School Plant Portrays Our Growing

STUDENT BODY

AS a vital part of a growing community, Sunnyslope High School has grown in its physical plant, students attending, faculty, and academic achievements.

FROM an original enrollment of 350 students, we have expanded to an anticipated enrollment of 1050 for the school year of 1960-61.

THE original school facilities in 1953 consisted of 15 classrooms, the present administration buildings, the cafetorium and the gymnasium. As we have grown it has been necessary to add classrooms to meet the expanding student body. In 1955 eight classrooms were added. In 1957 six classrooms and expanded physical education facilities became part of Sunnyslope campus. And now a building program, consisting of five more classrooms and a new library and conference rooms, indicate the mushrooming trend.

THIS page is a pictorial depictment of the expansion of our physical plant to meet our academic needs.

FROM THE EDITOR

THIS YEAR IT HAS BEEN my most enjoyable pleasure to serve as the Editor of the 1960 VALHALLA. The year has been filled with the inevitable headaches of deadlines, copyreading, planning and taking pictures, and editing. To serve as a link with the past is the reason that this book was created. It is my hope that as such we have succeeded to record the memorable events of the past school year, and if, our work has contributed to the enjoyment of the future I will feel the work well spent.

Helping record these events has been my staff, Joanne Baker, Susan Baird, Glenith Balkey, Don Beal, Patty Britton, Eileen Fitzmaurice, Vicki Hale, Verlis Miller, John Moffatt, Marilyn Setne, and Spencer Wimer. To these people goes my deepest thanks for a job well done. I would especially like to thank Spencer Wimer, our Art Editor, without whose work this book would not have been possible.

To Mr. McBee and his photography department, under the direction of Don Beal, photo editor and Velda Boren, picture filing clerk, goes my sincere thanks for coming through with the necessary pictures when we needed them most.

Patience is a virtue which is used most by the faculty and administration, and I would like to thank all the teachers for their patience and cooperation without which most of our work could not have been done.

But my deepest thanks goes to our sponsor, Mr. Howard McConnell, who has stood with me through thick and thin and who was always handy for counsel and advice.

On behalf of my staff I wish to thank everyone who has helped us and would like to wish all the graduating Seniors the most success in the pursuance of their chosen vocations.

Sincerely yours,

Ray Sigafoos

These students are hard at work under the watchful eye of Mr. Buck.

Time to take a break from studies to have lunch and learn the latest news.

The students are getting a good start in their freshman year to a better education.

The freshmen quickly learn the art of classroom studying.

Increased Clubs Have Have Swelled Our

ORGANIZATIONAL GROWTH

ORGANIZATIONS FORM an integral part in the life at Sunnyslope High School. Nearly everyone on campus belongs to one or more clubs or interest groups, and the number increases yearly.

As evidence of this growth, the number of clubs and organizations has increased 200% in six years. From a small nucleus of six, we have progressed to eighteen organizations whose activities jam our school calendar every week.

Five service clubs, three honorary societies, four athletic organizations, and six special interest clubs give each student a chance to find his or her niche and participate in some extra-curricular activity.

With the addition of the new library wing to our campus the organizational growth will take another step forward. Incorporated in this new building will be a room that the clubs can use for meetings.

This building stands as a landmark to our Organizational Growth.

THE VARSITY POM-PON girls are chosen by the P.E. teachers in the spring semester. The girls perform at all pep assemblies and at the football and basketball games. After the basketball season they teach Pom-Pon to the underclassman P.E. classes. The girls work together making up new steps and introducing new dances. This year's Pom-Pon girls were thought by many to be the best in the state.

THE JAY-VEE POM-PON girls, chosen in the spring by the P.E. teachers, perform at the pep assemblies and at the jay-vee football and basketball games. The girls are usually preparing for the varsity dance team, and thus try to learn the fundamentals of Pom-Pon dancing. They do a good job of promoting spirit at the J.V. games.

FOREIGN EXCHANGE STUDENTS

ONE OF THE HIGHLIGHTS of this school year has been our participation in the Foreign Exchange Student program sponsored by the American Field Service. This year we have had the pleasure of having Franca Ricci (right) from Italy visit our campus and live as an American for the year. Since she has arrived, Franca has endeared herself in the hearts of all the students in our high school.

To balance the program, Frances Amick, Sunnyslope High senior, was privileged to spend part of last summer living with families in Germany.

True to the ideals of this program, both girls have brought us insights into life in other parts of the world and have broadened mutual understanding and appreciation.

We would like to thank the American Field Service for their wonderful program and hope that we may participate further in the future.

Season Records Show Effects of Our

ATHLETIC GROWTH

AS THE LAST YEAR of Sunnyslope High School's participation in Class "A" interscholastic sports comes to a close, it is fitting that we review the past season for signs of growth.

The first sport that comes to mind is football. SHS closed out it's football season with a 10-0 record, a feat never accomplished in our history, to capture it's first and last Class "A" conference championship title. This shows the tremendous growth in that department and shows the victorious spirit of the Vikings.

Although our regular basketball season wasn't the best, we managed to get into the post-season tournaments, where we captured fourth in the conference and fourth place in the Class "A" state tourney. This is also a first for us.

Our baseballers aren't to be overshadowed either. Currently we are leading the league and things look bright for the future. The same goes for the boys on the Tennis team.

Two other boys sports, wrestling and gymnastics, heretofore unheralded as major sports, are fast becoming fan favorites at SHS. Both programs have emerged importantly in the past few years.

Physically the athletic department has grown also. In the past seven years the employment of boys' coaches has risen from 4 to 11, while girls' coaches have increased from 1 to 2. The athletic plant has grown too, including a lighted football field early in our history, fencing for the baseball diamond, a new batting cage, more bleachers for the stadium, an improved track, more equipment for all sports, increased tennis court area, and double the original locker room area.

Because the gymnasium is the center of our athletic program we have selected it to represent our Athletic Growth.

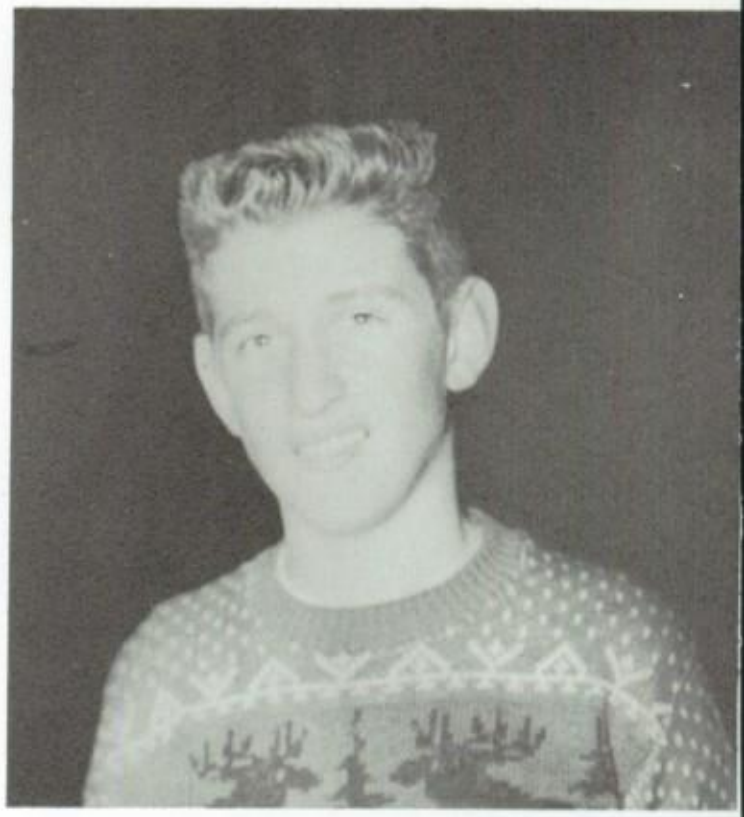
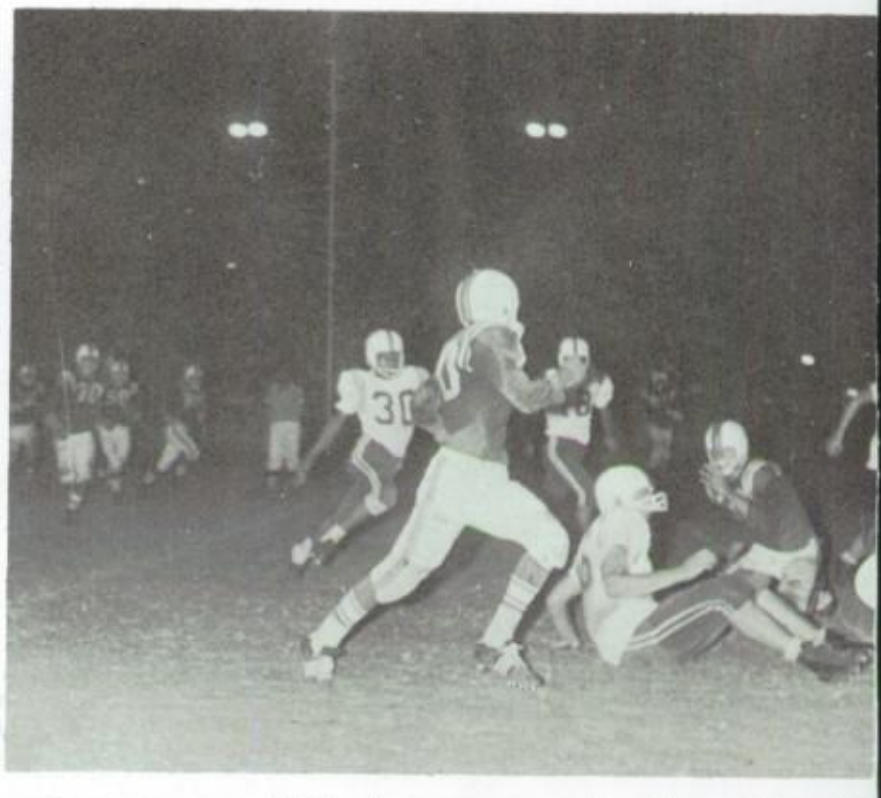
COACH BINGHAM got his initial training in athletics at Safford High School. While attending there, he played Varsity football for three years and in his senior year was selected for first team All-Stars. At Safford Hi Mr. Bingham played guard, as he did later while attending ASU at Flagstaff, where he also played Varsity for three years. After his "college career" he taught athletics at Parker High School for five years. He instructed Football, Baseball, and Track there. He then moved to the Valley of the Sun and has been at S.H.S. for the past seven years.



Richard Sickafoose, Varsity Football Manager.

Ken Butler, SHS Quarterback, pulls away from three Glendale Cardinals.



Terry Cooper, Halfback, goes around a downed Card for the needed yardage.

Douglas Gaston, Varsity Football Manager.

COACH MILLER started his football career while he was attending Prescott High School, where he played his entire four years. He filled the position of Guard and Fullback, playing J.V. for two years and Varsity for his Junior and Senior years. His team of Prescott in his Senior year, was Northern Conference champions. He then attended ASC at Flagstaff. He aided the Varsity team in the Guard and Right Half slots for three years. Upon his completion at Flagstaff he coached Prescott High, instructing football and basketball. He then came to SHS; this is his fourth year with this school.

SEASON RECORD

The two SHS seniors pictured are the athletes chosen by Coaches Miller and Bingham as being outstanding in the field of football. "Tom Rohr **(right)** has been active in Sunnyslope's football squad since his Freshman year, and has contributed much to the team's success," says Coaches Miller and Bingham. Jim Bryant has been with us for only two years, but has proven his ability many times on the SHS grid. Both players have stated, "It takes a good line and a fine bunch of guys to make a good team, therefore we must share this honor with the entire team."

End Jim Bryant eludes a tackler to go for the touchdown.

SEASON SYNOPSIS

ALTHOUGH the Viking cagers didn't have an exceptional season this year, the losing trend was reversed in the season-closing tournaments.

In the Class "A" North tourney at Sunnyslope, the Vikings finished fourth, being edged out by Phoenix Indian School 71-70 in the consolation finals.

In the State Tournament it was also the Indians who jinxed them, beating them in the consolation finals in a carbon copy of the first loss.

Because of his excellent job in the State Tourney, Roger Plate was chosen Most Valuable Player of the tourney. Tom Rohr was chosen the center on the First Team of the tourney, while Jim Bryant was selected as forward on the second team.

Our School Reflects the Growth of Our

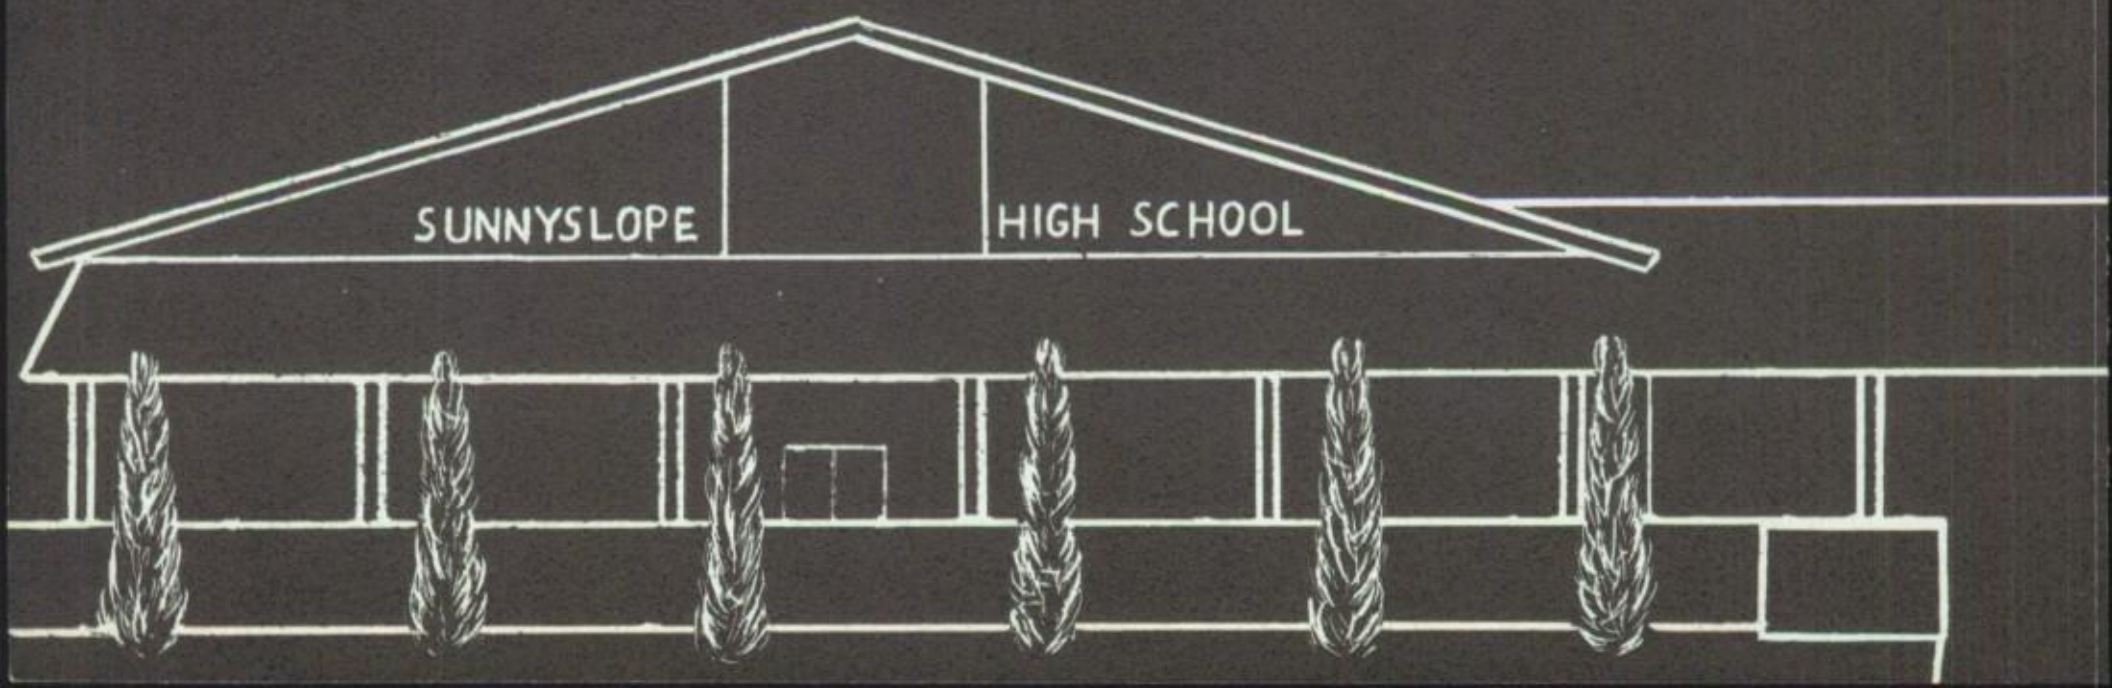
SCHOOL LIFE

THROUGHOUT THIS BOOK we have seen how we have grown. Our student body, our school plant, our organizations, our athletics, all are a part of our collective growth.

All of these are a part of our school life and as they have grown, so has our school life taken on a new perspective in the light of this growth.

The hub of our school activities is the school campus. From these buildings evolves the many varied activities which are a part of this life.

It is therefore fitting that to depict our school life we have chosen the front of our campus, one of our original buildings and the part that, like our School Life, is always in the public eye.



SEPTEMBER began a long registration, and the first

Remember the student mixer where the new Frosh first met the Upperclassmen?

series of school activities: mixer,

of our football games.

Frances Amick happily returned from Germany where she spent the summer as a foreign exchange student.

The members of the band always have fun on the buses.

Our cheerleaders and pom-pon girls entertain and promote school spirit.

OCTOBER brought Homecoming,

Every couple joined in the Grand March at the dance following the Homecoming Game.

It's intermission time at Homecoming and these three wait for refreshments.

We give a big thanks to these girls working behind the scenes to make a more enjoyable evening.

It's been a long and tiring day. It's a good thing the fair doesn't come again until next year.

DECEMBER brought the Christmas spirit, the Christmas assembly and concert and groundbreaking

Everyone joined in with Christmas carols at our big Christmas assembly.

In the two hours of the Christmas assembly, each and every student caught part of the Christmas spirit.

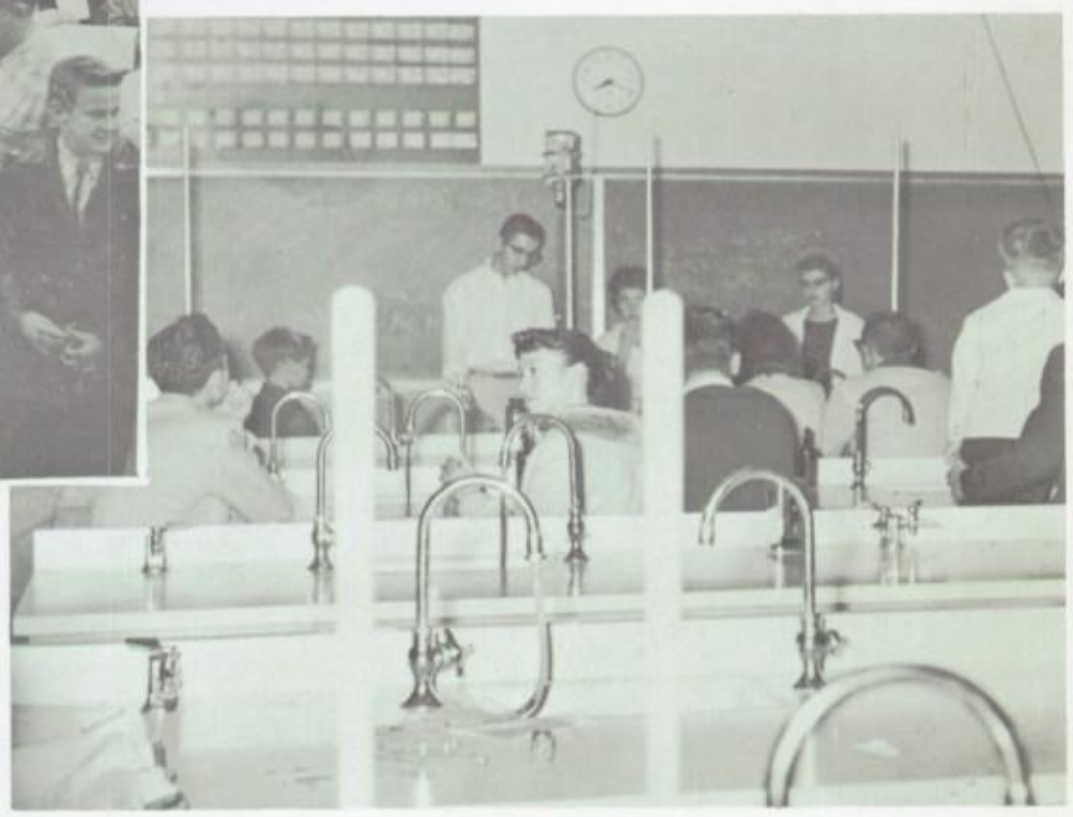
Four of our students take a curious look at our groundbreaking. This is the last year this space will be empty; next year two buildings will occupy it.

Do you Juniors remember when you asked Mr. Johnson what he wanted on the last day before Christmas vacation? He said, "Breakfast," and that's what he got!

JANUARY brought the New Year ,
the new semester, and more school activities

We had a good turn-out for open house this year.

In this room parents looked on as the student re-enacted their science class.



The Lettermen gave the students and faculty a pleasant surprise this year by agreeing to dress-up every Friday.

Our student council hosted several schools at meetings this year. Here, Donna and Judy converse with a student from Glendale.

We were all curious about the greenhouse the biology department put up. It wasn't long before the little place was humming with activity.

With FEBRUARY came Co-Ed Week, the Sweetheart Dance

Will you take a chance to win a cake? Many of our student did and helped finance the Vi-Teen's dance.

A second attraction of Co-Ed week was the leg-guessing contest. Curious? So were all the other students.

The other couples took a short rest at their tables while the royalty was honored by a special dance.

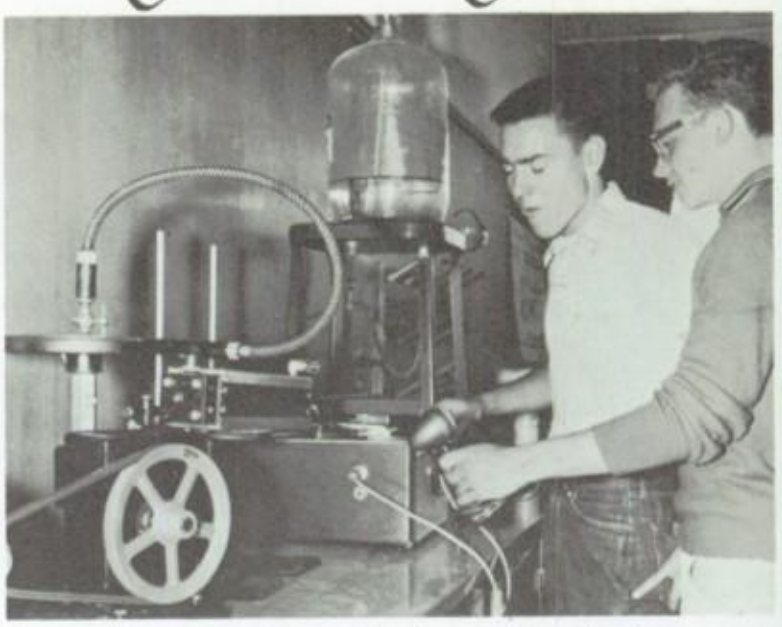
MARCH brought us another month of work and fun



Two of our seniors mix fun with physics on a science project. These are just a couple of the many students working hard on their projects.

Three of our schoolmates joined in with the traditional Western Day at our school to remind us of the big rodeo week-end ahead.

Our GAA members put in many weeks of practice to make this year's Follies the best.

With APRIL came campaigning, elections,

Two Party Political System

THIS SPRING the Student Council adopted a new plan for our yearly elections for Student Body offices. Under this plan two political parties were formed — the Equalites and the Autonomous.

All members of our student body were informed of the name, slogan, and platform of each of the parties and were then allowed to register in the party they preferred.

After registration the chairmen of these two parties started collecting their candidates for office. They offered their party platform and then registered each office-seeker in the party of his choice.

By April 11, major campaigning had begun, and on April 14, each of the political parties held its primary election campaign assembly. Each of the students went to the assembly of his party and through hearing each of the qualifications and aims, was better able to screen the candidates.

The next day the "closed primary" was held following Arizona's pattern of political elections.

Heading the two political parties this year were Vivian Everett, chairman for the Autonomous, and Donna Sosinski for the Equalites.

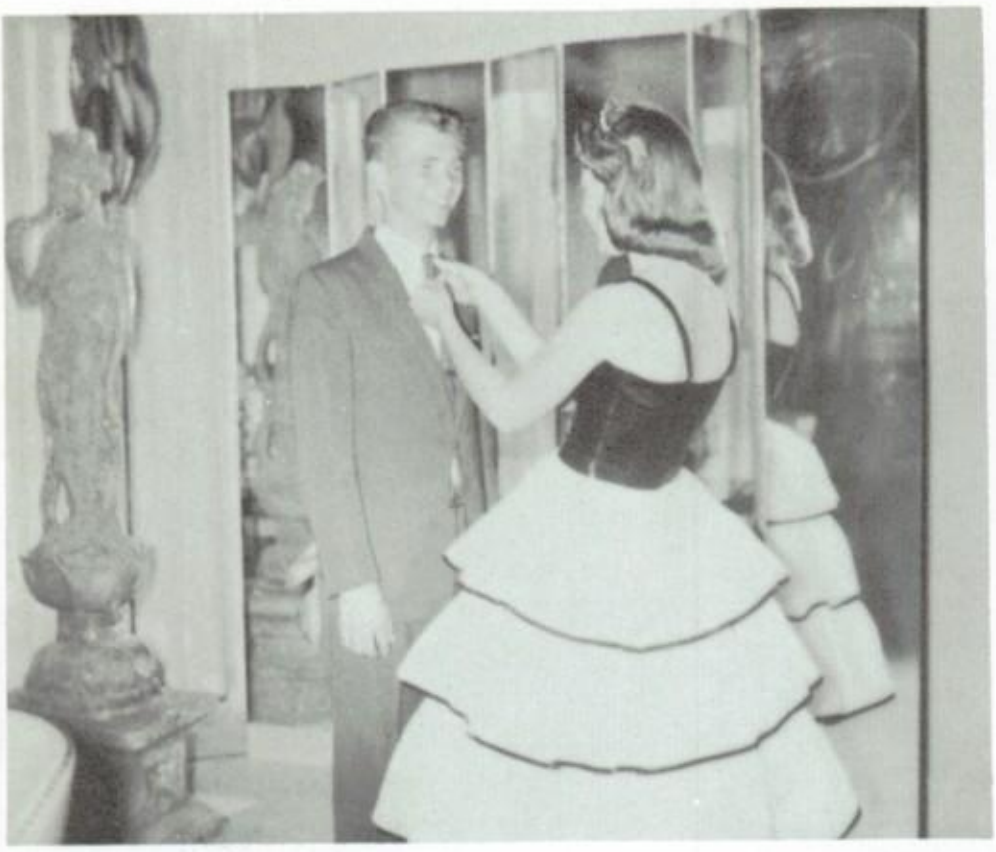
The general campaign assembly was conducted on April 21. This gave each of the candidates and his campaign manager equal and final chance to gain votes.

The decisive day was on April 28 when the voters went freely to the polls to vote for the candidate of their choice, regardless of party lines.

The voters had the final say as to which students would be their leaders.

And the JUNIOR-SENIOR Prom

"MISTY HEAVEN"



The Juniors and Seniors dance away an evening at the Prom.

MAY brought us closer to the end of the school year with Ditch Day and the Annual Scrawl

Everyone takes part in both autographing friends' annuals and dancing.

Mr. Sewright appears to be a head shrinker, but is really measuring for a graduating Senior's cap.

DITCH DAY

The Seniors took a day off school to swim and picnic at the Salt River Project. Boy, they had fun as these pictures testify.

JUNE ended this year with graduating and many good-byes until next September. Hello, summer vacation!

Congratulations to you and to all graduation seniors!

The lockers slowly lose their popularity as the students, one by one, say "Until next year."

Our foreign exchange student, Franca Ricci offered a good friendship to all of us. "Thank you." We hope you have had a wonderful year, too.

An extra big "Congrats" goes to our valedictorian Frances Amic and to our Salutatorian Martha Horne.

A FINAL MESSAGE

FELLOW VIKINGS:

Our ship has docked after its seventh journey to discharge our senior crew members and prepare to take on replacements for our next journey. It is fitting that the events of the past year have been properly recorded in the ship's log, The Valhalla.

We can be proud that we have easily weathered this year's journey, which could have been a stormy one brought about by double sessions.

The crew members who have been granted the privilege of serving on the Valhalla staff have done an outstanding job of sifting out and recording many important events, personalities, and programs of the past year.

Those of you students who are terminating your education this year will find this issue of the Valhalla a prized possession which will have a prominent place in your home. From time to time you will find yourself referring to this pictorial history of the school year 1960, to reminisce and renew old friendships. Your Valhalla will no doubt remind you of those events in which you take great pride. Its quite probable that your pulse will quicken, your throat tighten and maybe your eyes might become somewhat bleary as you reminisce. You will say to yourself, "It was great to be a Viking."

MR. COFFIN

GAIL BELLINGER

Patty, I wish the very best of everything to a very swell girl and fine majorette. Good luck to you in all you do always Gail Bellinger

"A BETTER WORLD THROUGH YOUTH!" was the theme of the student council convention which I attended earlier this year. There is a fine ideal embodied in this theme and one with which I heartily agree for youth is certainly the first ingredient. However, youth alone, with all of its vitality and inspiration, is no longer enough. You and I can never hope to fulfill our worldly obligations until we have become something more than just youth — until we have grown, matured, and expanded our character through knowledge and wisdom.

I believe the purpose of the Valhalla is threefold: First, it is a symbol, a memorial of all we have learned, the fun we have shared, and the tribulations we have endured. This book serves as a challenge to continue to expand and grow greater just as America continues to expand and grow greater. Thirdly, this Valhalla serves as a faithful reminder that many times our high school growth comes, not through books entirely, but through talking and discussing new ideas and participating in the many extra activities with our brother Vikings.

With these in mind, plus the conviction that our lives are even further enriched by the very privilege of passing through Sunnyslope High School, I fervently believe that someday there **will** be a better world — through knowledge, through wisdom, through youth.

Always and Gratefully Yours,

Gail Bellinger
